## WORK EXPERIENCE:

### Producer & Director of Photography

*INDUSTRIAL Studios*, Nashville, TN, USA – September 2022 – Present

- Leads end-to-end media production for global manufacturing clients, managing 8-12 concurrent projects.
- Directs all production phases: scriptwriting, pre-production, shooting, and post-production.
- Develops targeted pitch decks and ideates projects to support sales in new business pursuits.
- Grew client MSC Industrial Supply's YouTube channel from <5k to 55k+ subscribers.
- Exceeded profitability goals by 25% in the first year through strategic resource and account management.
- Engineered & deployed Synology NAS; developed SOPs for organizational data management.

### Producer & Virtual Production Specialist

*Massive Mission Creative Media*, Nashville, TN, USA – September 2021 – September 2022

- Produced & directed diverse corporate videos for national/international clients, meeting tight deadlines.
- Built company's virtual production pipeline from scratch, including custom Unreal Engine PCs.
- Trained 4-member team on Unreal Engine & virtual production workflows.
- Managed relationships with an international portfolio of corporate/agency clients.

### Owner, Cinematographer, Photographer & Producer

*Bennett Win Creative, LLC (Freelance)*, Nashville, TN, USA – March 2020 – Present

- Provides comprehensive visual media (music videos, photoshoots, social content) for musicians, influencers, and creatives.
- Manages all project aspects: concept, budget, schedule, shoot, edit, delivery; oversee contractors.
- Built professional in-home photography studio.
- Key Projects:
  - Toured with Noah Thompson & HunterGirl (from American Idol)
  - Launched "Trading Secrets" podcast w/ Jason Tartick (from The Bachelorette), grew to 10k subs
  - Content for Cole Rolland (YouTuber with 1M+ subs) & Kate Cosentino (from The Voice).

## WORK EXPERIENCE:

### Studio Manager

*Relationary Marketing (Contract)*, Nashville, TN, USA - July 2018 - September 2021

- Led ground-up design & build of a state-of-the-art podcast studio (audio, video, lighting, data, broadcast); facility remains highly active.
- Developed operational workflows & training for rotating crew, ensuring efficient studio operations.
- Managed all studio hardware, software, and operations.

### Videographer, Editor, & Drone Pilot

*Morgan Visual Productions (Contract)*, Nashville, TN, USA - May 2020 - September 2021

- Provided on-set support and post-production for corporate photo and video shoots, specializing in stylized branded documentary content.
- Served as the primary FAA certified drone operator for aerial cinematography and photography.

### Video Editor & Motion Graphics Artist

*Go West Creative*, Nashville, TN, USA - November 2020 - January 2021

- Provided video editing & motion graphics for post-production, supporting global brands like Sonic.

### Audio Technician

*Elite Multimedia Productions*, Nashville, TN, USA - September 2019 - March 2020

- Designed, built, and maintained complex audio rigs for large-scale tours, live events, and corporate functions.
  - Performed intricate gear repair, including soldering and component-level troubleshooting and RF tuning for wireless microphones and in-ear monitor systems
- 

## EDUCATION:

**Bachelor's of Science, Audio Engineering** - September 2015 - May 2019

Belmont University,  
Nashville, TN, USA
